

# BRAND YOUR BREW

## ONE LABEL AT A TIME!

## IDEAS & OPPORTUNITIES

- Add variable content to your labels to group seasonal varieties, special editions and limited quantity reserve batches.
- Utilize freeform™ laser cut labels and custom shapes to showcase your unique brand and grab attention.
- Produce spectacular effects with Color-Logic Process Metallic Color System™ to maximize shelf appeal.
- There are a variety of stock options, including clear stock for a “no label” look for beer bottles and growlers.

With seconds to capture a consumer's attention, don't get bottle-necked with the wrong label solution.
