QR CODE LABELS

**Hotels are much more than guest rooms. Your guests and employees will interact in multiple ways – remember to update and plan for valet parking, concierge, restaurants, bars, pools and fitness centers.**

- Serve as an identifier for clean and ready to use goods and services
- Removable and low-tack adhesives allow for easy removal and no mess left behind upon use of rooms, doors, seats, etc.
- Personalize materials: folders, welcome kits/gifts, thank you cards
- Utilize QR code decals to help guests bring up helpful information quickly
- Give peace of mind to customers utilizing your goods and services with a disposable label
