

CUSTOM-PRINTED PACKAGING TAPE

Water-activated, reinforced packaging tape combines sustainability and reliability

This tape is designed to create a strong, instant bond on your packages. As you activate the glue with water, it securely adheres to provide a tamper-evident seal. Customize your packaging tape with your logo and marketing messages to increase brand visibility as your package travels to the customer.

Economical

Stop paying for branded boxes — brand every box with custom-printed packaging tape

Creative

Make a powerful brand impression that gets remembered

Versatile

Ensure your message is the first thing the recipient sees — from any angle

Brand Loyalty

Stand out from the rest of the packages and get your brand noticed right away

Security

Protect your product with a highly visible tamper-evident seal
