

1. Product Videos

Choose between a variety of vertical market, product and label use specific videos that are narrated by one of our sales team members. These videos are unbranded YouTube links that are all less than 2 minutes. They are short, to the point, and include what you and your clients need to know.

2. Sample Packs

Get the samples that are right for you and your customer. Choose from our standard sample packs or request a customized sample pack specific to your needs! See back side for details and order form.

3. Virtual Spec Samples

Ask us about creating a virtual spec sheet for your client. They will see how they can utilize labels, stickers, decals and packaging tape in any vertical market.

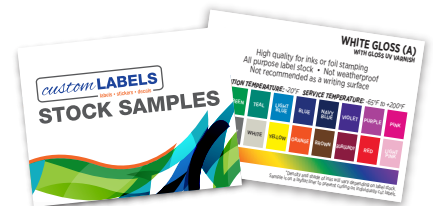

4. Product Flyers

Share label, sticker, decal and packaging ideas by product with our digital product flyers. We offer unbranded versions so they can be personalized with your logo and contact information to easily share.

5. Swatch Book

Go for the hands-on approach. Touch and feel popular label stocks with this handy swatch book! Each sample shows our standard inks printed on it, along with application temperatures and other useful information.

6. Digital Vertical Market Storyboards

Share label, sticker and decal ideas by vertical market with our digital storyboards. Great for e-mail campaigns and electronic correspondence, these digital tools provide a quick visual of labels in use. Personalize with your logo and contact information.
