

# Permits & Membership Decals

Craft durable custom decals for diverse uses like club membership, access to exclusive areas, and parking permits

## Common Applications/Uses:

- ▶ Decals with club logos, colors, and slogans are a cost-effective tool to enhance brand visibility and recognition. They strengthen member engagement, promote unity and raise awareness of the organization within the community.
- ▶ Permit decals for access to various recreational areas like lakes, country clubs, golf courses, or national parks provide tangible proof of authorization, granting exclusive access to designated areas.
- ▶ Parking decals act as clear indicators of authorized parking privileges, aiding in the efficient regulation of parking spaces and deterring unauthorized use. They are customizable with unique identifiers like permit numbers or expiration dates, offering security and control over parking access.

## Features

- Available in durable weather-resistant stocks: Polyolefin and Polyester
- Stocks withstand moisture, scratching and outside elements.
- Full Color inks are not fade-resistant. Sunscreen lamination is recommended for labels used outdoors.
- Matte lamination is available if you will be writing on the label.
