

# White Blockout *Stock*

Ensure complete opacity, effectively concealing any underlying text or graphics and provide a professional, polished appearance.

## Common Applications/Uses:

- ▶ Oops! Did you make a mistake? No problem! With our complete blockout stock you can produce a new coverup label.
- ▶ Reuse shipping boxes by covering previous shipping labels
- ▶ Re-label outdated information such as ingredients, instructions, or barcodes on catalogs, flyers, or other printed materials
- ▶ Update materials with your new brand during a rebranding initiative
- ▶ Protect confidentiality of private information
